**Meadowbrook Community Center  
10517 - 35th Ave NE**

**7:00 pm - 8:30 pm**

**Meet the candidates:** *Richard Conlin and David Ginsberg,  
Sally Bagshaw and David Bloom, Jessie Israel and Nick Licata,  
Mike O'Brien and Robert Rosencrantz*

**We've asked each candidate to answer four questions  
and then take questions from the audience.**

Would you make it one of your top 5 priorities to fund Seattle Public Utility's environmentally sensitive, \$35+ million plan to alleviate flooding in Meadowbrook?

Would you dramatically increase funding for sidewalks?

What would you do to end homelessness and improve life for low-income residents in Lake City?

What would you do to help our neighborhood combat graffiti, car prowls, and break-ins?

**We will collect non-perishable food for the Lake City Food Bank. Please bring what you can spare.**
